We understand that not everyone can afford luxury furniture, and that's why we have created Simpli. Our new range of furniture is crafted with the same attention to detail and quality materials that you expect from Loom Crafts, but with a lower price tag.

The Simpli collection includes a wide variety of outdoor furniture pieces that are perfect for relaxing, entertaining, and enjoying the great outdoors. From dining sets to sofa sitting, our range has something for everyone. The furniture is available in a range of materials, including metal, wicker and braid so you can choose the one that suits your taste and budget.

Our metal furniture is made from high-quality aluminium that is powder-coated to ensure that it is resistant to rust and corrosion. The powder coating also gives the furniture a sleek and modern look that will complement any outdoor space. The metal furniture is available in a range of colors, so you can choose the one that best matches your outdoor decor.

Our wicker and braid furniture is made from high-quality synthetic fiber that is woven by hand. The wicker / braid is UV-resistant, which means that it won't fade or deteriorate over time, even when exposed to the sun. The furniture is available in a range of colors and styles, so you can choose the one that best suits your taste.

All our furniture is designed to be comfortable and functional, so you can relax and enjoy your outdoor space to the fullest. Our dining sets are perfect for enjoying meals with family and friends, while our loungers are great for soaking up the sun and reading a book. We also have a range of outdoor accessories, including planters, umbrellas, and outdoor lights, that will help you create a comfortable and stylish outdoor space.
